Learn the Warning Signs.

Suicide Warning Signs

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

- Talking about wanting to die or to kill oneself.
- Looking for a way to kill oneself, such as searching online or buying a gun.
- Talking about feeling hopeless or having no reason to live.
- Talking about feeling trapped or in unbearable pain.
- Talking about being a burden to others.

- Increasing the use of alcohol or drugs.
- Acting anxious or agitated; behaving recklessly.
- * Sleeping too little or too much.
- * Withdrawing or feeling isolated.
- Showing rage or talking about seeking revenge.
- * Displaying extreme mood swings.

Suicide Is Preventable.

Call the Lifeline at 1-800-273-TALK (8255).
